- 2011 – 2013 / College of Mechanical Engineering / Physics-mathematics faculty / Robotics engineer.

ABOUT ME

Mostly, I'm interested in programming and various innovations. Meticulous to detail. As my friends say: - I'm self-motivated and a happy person. I'm not married. I never served, but I have a military ID. My hobby is performance (fire-show). I like to read, but mostly prefer psychology books. Also I like spending my time walking in the fresh air.
